neos

Improved with:
Nano Enhancement of Surfaces

A new high-performance stain and substance repellent technology. Invisible to the naked eye, it has been formulated to resist staining and keep surfaces clean, guarding from everyday wear and tear with minimal maintenance. NEOS makes Enigma Surfaces the most durable product in the industry.

Completely relevant pattern, whose composition alludes some reminiscence to the strength and naturalness of an oxidized material.

Adored by architects and interior designers, its a true whim in decoration. Its irregularity and depth are an esthetic potential, which adapts to the new contemporary canons. **A magical game of brown and other tones, merge to offer a product capable of giving great personality to any environment.**
