Nano Enhancement of Surfaces

A new high-performance stain and substance repellent technology. Invisible to the naked eye, it has been formulated to resist staining and keep surfaces clean, guarding from everyday wear and tear with minimal maintenance. NEOS makes Enigma Surfaces the most durable product in the industry.

Design based on a short spectrum of shades of grey, delicately mixed and flooded by a constellation of subtle patterns.

A composition with a strong hypnotising power, thanks to a subtle and dazzling design, which will undoubtedly set trends for those environments that seek the fine style that evokes the most discrete beauty.
