EM2023

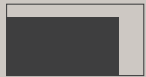

Inspired by the noble and elegant materials that were used in the covering of these great architectural works, as well as in the construction and decoration of their temples and palaces, the **PYRAMIDS collection** was born, with high end patterns, style and distinction. This collection is characterized by natural stone finishes with a beauty, sharpness and definition never seen before.

Nano Enhancement of Surfaces

A new high-performance stain and substance repellent technology. Invisible to the naked eye, it has been formulated to resist staining and keep surfaces clean, guarding from everyday wear and tear with minimal maintenance. NEOS makes Enigma Surfaces the most durable product in the industry.

ENIGMA has developed the most beautiful Statuario ever seen.

Highlighting true deep light and dark grey veins with an incredible shade change inside them will make one wonder, is it's real or not.

A unique ultra white background with amazing movement and pattern makes Cleopatra the perfect choice for a high end environment.
