

Keops

EM2024

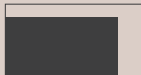

Inspired by the noble and elegant materials that were used in the covering of these great architectural works, as well as in the construction and decoration of their temples and palaces, the **PYRAMIDS collection** was born, with high end patterns, style and distinction. This collection is characterized by natural stone finishes with a beauty, sharpness and definition never seen before.

EM2024 **KEOPS**

neos

Improved with:
Nano Enhancement of Surfaces

A new high-performance stain and substance repellent technology. Invisible to the naked eye, it has been formulated to resist staining and keep surfaces clean, guarding from everyday wear and tear with minimal maintenance. NEOS makes Enigma Surfaces the most durable product in the industry.

**Exclusive white surface
with gorgeous deep grey
veining and occasional
gold highlights.**

Keops gathers the fascination of a classical material with a contemporary perspective to give dynamism and grandeur to any space.

Keops is a classic look for residential and commercial applications, as with its use as stylish floor tiles, countertops and backsplashes.
