*Inspired by the noble and elegant materials that were used in the covering of these great architectural works, as well as in the construction and decoration of their temples and palaces, the **PYRAMIDS collection** was born, with high end patterns, style and distinction. This collection is characterized by natural stone finishes with a beauty, sharpness and definition never seen before.*

Improved with:
Nano Enhancement of Surfaces

A new high-performance stain and substance repellent technology. Invisible to the naked eye, it has been formulated to resist staining and keep surfaces clean, guarding from everyday wear and tear with minimal maintenance. NEOS makes Enigma Surfaces the most durable product in the industry.

Maze has a radiant richness accented by a network of fine intertwined nerves, standing out on a dark base, full of small shades in different shades of grey.

A material with a vocation to be unique, thanks to the grandeur of its purest, most primitive essence. A uniform compact sensation that guarantees an infinite, mysterious and attractive perspective in Zen or Asian styles, minimalist ambiances,...
